

# How Religious Narcissistic Parents Affect Children

## Minor Children

- Not allowed to expand their own horizons
- Kept isolated from people outside the household
- Made to fear anything outside of the household
- Can't pursue their own dreams or interests

## Both

- Shy
- Not able to control appearance
- Scripture used against them
- God's thoughts used against them

## Adult Children

- Can't pursue their own dreams or career goals
- Made to feel guilty for having any independence
- Shamed if parents don't like their physical appearance or tastes
- Guilted into staying home to help support the family
