

18 Narcissistic Behaviors to Look Out For

- Facts change as often as the weather.
 - Lies that don't make any sense.
 - They are controlling the money.
 - You are being blamed for things that are not even remotely your fault.
 - Extreme anger or rage when you try to talk to them about something they did wrong.
 - Living in their own reality.
 - The constant need for accolades.
 - Everything is part of a deal or bargain.
 - Lack of empathy, no matter what the struggle others around them are going through.
 - Inability to relate on a personal level.
 - Only sees people as a means for self promotion.
 - They seemed absolutely perfect for you (initially).
 - They don't have any long-term friends.
 - Inability to respect others' boundaries.
 - Expecting perfection from everybody but themselves.
 - Circular arguing.
 - Lack of their own identity.
 - Stealing or destroying others' property
